

Congratulations! We are pleased to inform you that you have been shortlisted for the next step in our selection process for the **Python Development** Internship position at Pianalytix.

Assignment Details:

Objective: To assess your technical skills, creativity, and ability to communicate effectively through a presentation video.

Presentation Video Assignment:

- **Introduction (Video Part 1):**
 - Introduce yourself.
 - Highlight the skills you possess, particularly in **Python** and related technologies.
- **Project Explanation (Video Part 2):**
 - Describe a project you have built using **Python**.
 - Explain an important technique or concept related to the project in a simple and clear manner.

Guidelines:

- **Duration:** The video should be concise, ideally around 2-5 minutes.
- **Format:** You can present on your computer screen and record the screen. Recording your face using a webcam is optional.
- **Presentation Tools:** Use any presentation tools (e.g., slides, code editors, screen recordings) that can effectively demonstrate your skills and project.
- **Submission:** Upload the final video to a platform like Vimeo, OneDrive, YouTube [set to Unlisted], or Google Drive and copy the link of your video. Ensure that the video link is accessible to everyone without requiring any additional permissions or logins. Submit the assignment video link both in the provided Google Form link [[LINK](#)] and on the Internshala chat.

Evaluation Criteria:

- Clarity and effectiveness in communication.
- Demonstration of technical skills and knowledge.
- Creativity in presentation and explanation.

If your skill set matches our criteria, we will contact you for the final step of the hiring process, which is a final interview call. We will update you within a week or more days of submitting the assignment.

We look forward to your submission and wish you the best of luck!

Best regards,
Thank you,
D. Srikanth,
Hiring manager,
Pianalytix Edutech Pvt Ltd.
